

## Give your student 24/7/365 medical care

**If you have a phone or laptop, you have access to quality care.** Teladoc® doctors are available 24/7/365, unlike traditional student health centers, to treat many of your medical conditions. Get the care you need and get back to life.

### GET THE CARE YOU NEED

Teladoc doctors can treat many medical conditions, including:

- Cold & flu symptoms
- Allergies
- Sinus problems
- Bronchitis
- Urinary tract infection
- Respiratory infection
- Skin problems
- And more!

### SAVE MONEY

Teladoc gives you an affordable option for quality medical care. It doesn't replace your primary care physician but provides an alternative to costly urgent care or ER visits when you need care now and don't have time to wait.

With your consent, Teladoc is happy to provide information about your Teladoc consult to your primary care physician.

### HEAR MEMBER STORIES

"I'm so glad I had access to Teladoc my freshman year. I started to get this nagging cough right before mid-term exams. I tried to remedy the cough myself with some cough drops, but my symptoms only got worse. Mom recommended that I call Teladoc. Within 48 hours of speaking with a doctor, I felt normal again and ready for my exams." – Ben
