"I travel a lot which makes the convenience of Teladoc a real value for me and my family. It is easy to use, saves time, saves money, and is just as effective as a face-to-face consult."

- Randy, Teladoc Member

"One night my child was running a high fever. I called Teladoc and the doctor prescribed a medication and plenty of fluids. Glad I avoided the time and expense of the ER."

- Holly, Teladoc Member

"After many of my co-workers told me how happy they were with Teladoc, I signed up. Within an hour I was picking up my prescription and I'm now on the road to feeling better."

- Chris, Teladoc Member

"My daughter had a bad infection. Within 5 minutes, I was connected with a doctor, and minutes after the visit ended I got a call from my pharmacy. Saving grace for parents!"
